

LIFE LINE OUTREACH MINISTRIES

Newsletter April 2013

Dear friends of Life Line,

Greetings! We had a great time during our fellowship/team meeting last Saturday at our home. A big shout of thanks goes out to all who came and who gave up their time. We had a great turnout! Our house was packed with over thirty people as we discussed the upcoming warm weather outreaches.

We also had a great time of fellowship. We discussed vision-purpose, ministry positions, locations, dates, and many other particulars. We had a great dialog. I know we are all excited to get out into the neighborhoods to minister Jesus! Our first block party outreach is May 4th. I can't wait to get outside, and the warm weather can't get here fast enough!

***THE CHURCH
HAS LEFT THE
BUILDING***

The meetings at the Elkhart County Jail are incredible! (We at Life Line go in twice a month to conduct services.) We are having a lot of new guys coming to our services. Many of the regular attendees have since moved on to state facilities. Just in the last month we have had a dozen new guys show up to the meetings. We are thrilled to see these new men coming in to get right with God. Within the last two services we have had nine men call out to God for forgiveness of sins and repent. It has been glorious! Just last week I had a man share with me that he had discussed with his wife, during a visit, that he needed to get back right with the Lord. The next day he came into the jail service and cried out to Jesus during the altar call! Amen! The service before that I met Ben, a young guy. During the altar call he was sobbing and weeping, totally broken, asking God to forgive him.

It's been so exciting to see God move and touch lives. Obviously, our goal is to teach the Word to these new believers, making disciples of Christ. We are also trying to connect with these guys as they get out, so please pray for the Jail Ministry. We're trusting God to make radical disciples for Jesus, for those who are forgiven much, love much! Amen!

There is a lot going on at Bashor Children's Home. We are in the facility eight times a month (two Bible studies a month for the boys & girls, and also two fellowship times with two different cottages). We are doing our best to reach out to the young people with the love of Christ!

At our last boys' Bible study we had a great time! One of the young men we met right at the beginning here at Bashor is now ready to leave. He is just turning eighteen and will be moving into his own apartment. He loves the Lord! We were able to lay hands on him and send him out with the Lord's blessing. I gave him my contact info hoping we can keep in touch as he is moving across state.

180 EVENT

Please pray for our next 180 Event at Bashor coming up April 2nd. This event is available for all of the students on the campus. Even their parents can come to the event.

We have the meeting in the cafeteria with music. We raffle off some neat prizes to be a blessing. We share testimonies about how God has changed our lives and we close with a final preaching word and altar call, trusting God to touch lives. Please pray for this event. Bashor is always getting new students in the facility, so this 180 Event is a way to reach new students. For those of you who live near Goshen, please feel invited to the 180 Event.

Time: 6:30pm -8:30pm

Where: Bashor Children's Home (62226 County Road 15, Goshen, IN 46526)

Date: April 2nd (Tuesday)

Elkhart County Jail Ministry –

We are still praying for more jail ministers. We currently go in every 2nd and 4th Thursday.

Bashor Children's Home-

The girls Bible study meets every 1st & 3rd Wednesday. We are praying for more ladies to assist with this ministry.

(Please contact me with if interested or any comments or questions.)
